VS-900c

VITAL SIGNS MONITOR

Vital Signs Monitor for Ambulatory Care

mindray

Make the VS-900c your primary solution for vital signs monitoring

The VS-900c is a reliable, easy-to-use vital signs monitor that is ready to go when you are. Perform quick assessment of your patient's vitals with blood pressure, SpO_2 and temperature measurements. With the functionality and value you need, the VS-900c fits neatly within your cost-conscious practice.

Quick and accurate measurements vital to your practice productivity

Blood Pressure – Perform spot check measurement of your patient's blood pressure

Pulse Oximetry – Choose from industry-leading SpO_2 technology – either Masimo SET® (standard) or Nellcor® Oximax®

Temperature – Select from Mindray SmarTemp® or Welch Allyn® SureTemp® Plus thermometry to perform fast and precise oral, axillary or rectal temperature measurement

VS-900c Rolls With You

Move easily between patients using the Vital Signs Mobile Rolling Stand equipped with lots of extras to make your practice that much more efficient: storage basket with cable management hooks, hand sanitizer holder, waste bag clip, optional second basket for additional storage, and a mount for cleaning/disinfectant wipes.

For alternate placement schemes, consider mounting the VS-900c on the wall using our space-saving 6-inch pivoting wall mount arm which enables immediate access to the monitor and its accessories, yet conserves precious space for both caregivers and patients.

System Highlights:

- 8.4" back-lit high resolution TFT display
- Intuitive touchscreen
- Spot check and continuous monitoring modes
- NIBP Measurement modes – manual, automatic or customizable intervals
- Stores up to 5,000 measurements
- Includes a rechargeable lithium ion battery and recorder
- Import vitals to the patient's electronic medical record via a standard RS-232 connection

VS900c Configurations

All VS-900c models include one battery, one adult cuff, NIBP hose, line cord, operator's manual, SPO_2 cable and adult finger sensor (monitors including Masimo or Nellcor), oral/axillary temperature probe and 2 boxes of probe covers (monitors including SmarTemp only).

Description	Part Number
VS-900c, non-invasive blood pressure and pulse rate	121-001500-00
VS-900c, SmarTemp®, non-invasive blood pressure and pulse rate	121-001501-00
VS-900c, Masimo® SpO_2, non-invasive blood pressure and pulse rate	121-001502-00
VS-900c, Masimo SpO_2, SmarTemp, non-invasive blood pressure and pulse rate	121-001503-00
VS-900c, Nellcor® OxiMax® SpO_2, non-invasive blood pressure and pulse rate	121-001504-00
VS-900c, Nellcor OxiMax SpO_2, SmarTemp, non-invasive blood pressure and pulse rate	121-001505-00
Accessories	Part Number
Battery, Lithium Ion	115-018012-00
Serial output cable	009-003436-00
Recorder Paper (12 rolls)	0683-00-0505-02
Rolling stand with quick release mount and cable management	045-002960-00
Storage basket, additional (2nd) without handle	045-002936-00
Cleaning/Disinfecting wipes mount	045-002935-00
M series wall mount with 6" arm (requires quick release bracket)	115-025386-00
Quick release mounting bracket for Wall Mount	045-001055-00
